

Moroccan Film Centre

**CIRCULAR**

Film-production companies are hereby notified that with effect from 1 January 2011, the Moroccan Film Centre will no longer carry out import and export operations of any products and services that are part of shooting a film (film-shooting equipment, raw film stock, rushes, film, etc.)

Accordingly, the production companies affected are invited to make all arrangements necessary in that regard, either by using a freight forwarder of their choice or by setting up an appropriate cell within the company to carry out those operations. In the latter case, the company concerned **must** receive prior authorisation from the General Customs Administration.

The Director General of the  
Moroccan Film Centre  
Nour-Eddine Saïl
