

Moroccan Film Centre

**CIRCULAR**

Managers of production companies are hereby notified that in order to enable the Moroccan Film Centre to best process requests for filming permits, those requests must reach the Moroccan Film Centre by the following periods in advance of the date of start of filming:

- 3 days for advertising spots and institutional films
- 15 days for television series with a total duration of less than 120 minutes
- 15 days for feature films or television films
- 21 days for documentaries, *reportages*, and television programmes
- 30 days for television series with a total duration of more than 120 minutes.

Those periods shall run from the date of the **completed application** relating to the said requests.

Requests for filming permits must be signed and stamped by the management of the production company, or, failing that, by a representative of the production company duly authorised by the management.

Any request to rectify a filming permit that has already been issued by the Moroccan Film Centre shall be subject to fresh payment.

The Director General of the  
Moroccan Film Centre  
Mohammed Sarim El Haq Fassi Fihri
