

PRESS RELEASE

Regarding Film Production Execution Services on Behalf of Third Parties

The Moroccan Cinematographic Center hereby informs Moroccan and foreign project developers wishing to benefit from production execution services within the Kingdom of Morocco that the activity of executing national cinematographic productions may only be carried out by holders of the national production execution accreditation.

Likewise, the activity of executing foreign cinematographic productions may only be carried out by holders of the international production execution accreditation.

It is specified that both accreditations are granted by the Moroccan Cinematographic Center to cinematographic production companies holding an authorization to carry out production activities, in accordance with the legislative and regulatory provisions in force.

Furthermore, the Moroccan Cinematographic Center remains available to Moroccan and foreign project developers to provide any useful information, in compliance with the legal provisions relating to the protection of personal data.
